Guys,

Now we're just being rude to Opal.

Yes,

I know she isn't being particularly friendly either, but no need to fight rudeness with rudeness.

Ghost does prove a few valid points, as does Opal,

So if we could please just calm the heck down,

That would be WONDERFUL.

Can I just say real quick
I am very religious and I don't actually like the "i don't support lgbt" hashtag
I don't think it's great to disagree with sexuality itself, as the Bible just says stuff about homosexual acts, like "man shall not lie with man" and doesn't say that being gay is a sin at all, so really not all Christians like the hashtag.
Also I could see it flipped around with a "I don't agree with Christianity" hashtag, and I know lots of people here don't, but it would hurt to see that shoved in my face all the time and you know golden rule guys
So yeah just gonna
Put these words here
Byes have fun
